

CASANOVA BROOKS

ABOUT

Casanova is an award-winning entrepreneur, author, professional dream activator, founder of DreamNation, and one of the top high-impact keynote speakers for today's audiences. No stranger to hardships and adversity, his battles in many stages of his life including life-threatening stage four lymphoma cancer, to losing his mother, his job, and his home all within a matter of a couple weeks has helped Casanova to develop a bulletproof mindset and learn how to create frameworks to overcome those challenges and ultimately, to thrive and succeed in life and business.

Though considered a millennial, through his infectious energy and mesmerizing blend of inspiration, motivation, and success principles, Casanova has become a beacon of hope for others of all ages with a purpose to create radical change in their lives by focusing on the power of mindset and building meaningful relationships to strengthen personal brands and credibility to impact success in anyone's future.

Casanova travels the globe speaking to entrepreneurs, fortune 500 companies, and educational institutes with his charismatic performances and rock-the-house keynotes, custom tailored to each audience. Whether you're looking for super-relatable, tools & takeaways, or The "it" Factor...Casanova's timely presentations on business, life, or productivity are full of impactful content, audience participation, and practical steps that lead to transformation for every attendee! Oh, and did we mention, he's also the no-stress speaker clients love to work with.

Casanova's work has been featured in NY Weekly, USA Today, Fox, Kivo Daily, ABC, NBC, Thrive Global, and Yahoo Finance, where I was included among 10 Entrepreneurs to "Watch in 2020."
